SIGNATURE DINING

Built on a deep love for heritage, family,
and authentic flavours.

We serve our signature Nasi Lemak,
made with fragrant coconut rice and paired
with authentic sambal, meticulously crafted
by Master Leong himself, a true-blooded
Malaysian with decades of culinary passion.

Alongside our Nasi Lemak, savour a selection
of signature dishes that celebrate the rich and
vibrant tastes of Southeast Asia.

Good food. Good people. Good memories.
Thank you for being part of our story.
